Eczema

From early childhood until I was grown my family spent a fortune trying to cure me of this disease. I visited Hot Springs and was treated by the best medical men, but was not benefited. When all things had failed I determined to try **FROM'S**. In four months was entirely cured. The terrible eczema was gone, and a sign of it left. My general health built up, and I have never had another of the disease.

I recommend **FROM'S** to all who have nervous failure or eczema.

S.S.S. Hiram, Irwin, Tex.
I have often failed to find a cure for my Eczema. Now **FROM'S** remedies have cured me. I feel like a new man. I wish such diseases could be cured so easily. Write for full address.

Ye Skeptics!

A VERY VALUABLE REMEDY.

What's coming out of your ears? Is it water? No! It is the steam of a boiling kettle. What's coming out of your eyes? Is it rain? No! It is the rain of tears. What's coming out of your nose? Is it cold air? No! It is the hot breath of a furnace. What's coming out of your mouth? Is it words? No! It is the roar of a storm. What's coming out of your hands? Is it dust? No! It is the sparks of a fire. What's coming out of your feet? Is it mud? No! It is the smoke of a chimney. What's coming out of your skin? Is it dirt? No! It is the ash of a volcano. What's coming out of your soul? Is it despair? No! It is the light of hope. What's coming out of your life? Is it sorrow? No! It is the joy of triumph.
